Dear Fellow Patriots and Friends of Republican Women of California - Fallbrook -

March roars in like a lion and so do we. As we celebrate **Women's History Month**, let's honor the trailblazing Republican women who have fought for liberty, family, faith and the constitution: from the suffragettes who championed individual rights to modern leaders defending limited government, free enterprise, and strong national security. Today, we stand on their shoulders, resilient, principled, and unstoppable. In Congress, fierce voices like Elise Stefanik

(former House Leadership), Virginia Foxx (House Rules Committee Chair), Marjorie Taylor Greene, Anna Paulina Luna, Lauren Boebert, Young Kim (our own California's fighter!), Nicole Malliotakis, and Claudia Tenney defend limited government, strong borders, and traditional values.

In California, where one-party rule has brought high taxes, crime, and lost freedoms, conservative women like us are the spark that turns the tide.

President's Message Continued

We're not just preserving our values; we're igniting a revival!

You are the heart of this fight, strong, smart and steadfast. Let's rise together, honor the women who came before us, and build a legacy for those who follow. The future is bright when conservative women lead. You are part of this powerful story—strong, smart, and steadfast. Let's honor those who led before us by leading now: register voters, champion scholarships, contact legislators, and build the red wave!

With unbreakable resolve and deep gratitude,

Michelle Fitzgerald, President Republican Women of California - Fallbrook, Since 1950: Promoting Conservative Traditional American Values

Socials Scene

- Young Milton, RWCF 3rd VP Ways & Means

Our February 27th Social brought together 19 members and friends. After singing the National Anthem at our spot, Rainbow Oaks Restaurant, we had a short discussion about the **Save America Act** and why it's being held up in the Senate: filibuster. I found the discussion lively and very interesting as I didn't know much about filibuster.

Next Social get together will be the last Friday in March (3/27). Please email me at ymilton@gmail.com with your suggestions for next month's discussion!

Republican Women of California-Fallbrook

Mission Statement

Our goal is to educate the community by communicating information, encouraging involvement, and outreach.

Our objectives, as stated in our Bylaws are to:

- Support and defend the Constitution of the United States of America against all enemies foreign and domestic.
- Promote a wider knowledge of principles and policies of the Republican Party.
- Cooperate with the Republican State and County Central Committees in campaign work for the election of Republican candidates for office, including non-partisan offices.

The cornerstone of the Republican philosophy is the belief that each person is responsible for his or her own place in our society. Individuals are encouraged to join the Party to help secure and preserve the benefits of society.

We believe that government should be limited to doing for people those things they cannot do for themselves. The right to determine individual destiny should lie in the hands of the individual, and we believe in the competitive free enterprise system. We believe that peace and freedom can be protected only if America maintains a defense strong enough to deter an aggressor. We strive to cut overlapping and unnecessary government programs.
