Issue 51

## NOVEMBER 2024

### UPCOMING...

### PRESIDENT'S MESSAGE

It may be the month of Thanksgiving, but it's Election Time first.

As we approach the end of our Presidential election season, we conservatives must not drop the ball! We are really close to winning and must not slack off in promoting our candidate, **Donald J. Trump!** It isn't necessary to use all the Republican talking points, just one. **Talk to acquaintances and family about how important it is that we choose the best Commander-in-Chief.**

We are closer to WWII than we have been in our lifetimes! Our ruling class has made very bad decisions leading us to this precipice. They have shown they do not have our physical safety as a priority! We will effectively fire them by electing Donald J. Trump. **The small pain you may suffer by talking to a TDS lib about our candidate is nothing compared to the pain we will suffer with Kamala Harris as Commander-in-Chief.**

Good luck to us all and may we sit around our Thanksgiving tables victorious.

Your President,  
*Ardeth Meier*

Decorate your vehicle and we will leave at 12 noon from Winco parking lot  2245 S. El Camino Real, Oceanside, CA 92054. We will take a right from the parking lot to the 78 freeway and go north on the 5 freeway to Mission Ave. west and make a left on PCH all the way down to Torrey Pines Beach parking lot where we will take a group photo. Note: There's no one group organizing this; it's just a spontaneous gathering of patriots. Prepare to follow all the road rules and show the community our love for President Trump as we near this historic election. There will be some Trump flags available at the rally too. There's also going to be a bike race that day along the coast so we need to keep an eye out for cyclists and there's a possibility of rain.

***RWCF rally-goers can decide to caravan back through Fallbrook so our town gets to see a rally as well!***

# Petitions Worth Your Time & Action!

## Tell America You Want PragerU in Schools

From **PragerU**:

Students are failing. Test scores and grades continue to plummet nationwide. Why? America's K-12 education system is often more concerned with pushing radical activism on students rather than teaching what needs to be taught. Facts, knowledge, and achievement are no longer a focus. No wonder our students are falling behind.

 **Sign the petition to allow PragerU in schools!**

## Say NO to Court Packing

From **First Liberty Institute**: **SAVE THE US SUPREME COURT**  
Right now, dark money groups are working overtime to convince you that the Court needs to be reformed, reworked and restructured.

 **If we lose the Court, we will lose our country!!**

 **Add Your Name to take the Pledge.**

# Republican Women of California-Fallbrook

## Mission Statement

Our goal is to educate the community by communicating information, encouraging involvement, and outreach.

Our objectives, as stated in our Bylaws are to:

- Support and defend the Constitution of the United States of America against all enemies foreign and domestic.
- Promote a wider knowledge of principles and policies of the Republican Party.
- Cooperate with the Republican State and County Central Committees in campaign work for the election of Republican candidates for office, including non-partisan offices.

The cornerstone of the Republican philosophy is the belief that each person is responsible for his or her own place in our society. Individuals are encouraged to join the Party to help secure and preserve the benefits of society.

We believe that government should be limited to doing for people those things they cannot do for themselves. The right to determine individual destiny should lie in the hands of the individual, and we believe in the competitive free enterprise system. We believe that peace and freedom can be protected only if America maintains a defense strong enough to deter an aggressor. We strive to cut overlapping and unnecessary government programs.
