**UPCOMING...**

## PRESIDENT'S MESSAGE

Summertime...and the living is easy...not anymore...and not this summer!!!

We'll soon be opening our campaign headquarters and working nonstop to elect Republicans at the local, state and federal levels... with our #1 Goal to elect **Donald J. Trump President of the United States of America!**

June is our last general meeting until September. That doesn't mean we'll slow down through the summer. We will be registering voters, legally harvesting ballots (learn how later in this newsletter), volunteering to work at our headquarters, recruiting new members, and gathering for social events and positive reinforcement!

## SHAUN FREDRICKSON

Shaun Frederickson is a devoted family man residing in North County San Diego. Fourteen years ago, during a year-long missions trip around the world, he met his wife, and together they now have four children. Shaun is deeply committed to empowering Christians and living out his faith in San Diego, California.

In July 2021, Shaun captured the attention of the nation with a powerful 60-second speech confronting San Diego County Health Director Wilma Wooten. The speech, which went viral garnering over 12 million views, ignited a movement of Southern California residents opposing lockdowns and unjust mandates.

As a leader of this movement, Shaun founded the Freedom Revival, organizing two major events that drew 12,000+ attendees each. His vision is to see a robust church actively engaged in politics, striving to restore the American republic. Shaun has collaborated with notable organizations such as PragerU, TPUSA Faith, and the First Liberty Institute.

## ANDREW HAYES

Andrew Hayes is a lifelong resident of East County. He's running for CA State Assembly against Carl DeMaio to fill Marie Waldren's seat in the November elections. He was a legislative aide to Senator Joel Anderson and has had great success leading the Lakeside Union School District Board of Trustees. Andrew has been on the frontlines fighting for conservative principles to help defeat Democrats' reckless spending and far-left agenda and plans to continue that fight against Gavin Newsom.

Sprinkling in some fun over the summer, July 12th has a **luncheon for members** planned by our Ways and Means Chair, **Young Milton**. July also has a trip by bus to the **Reagan Library** and Museum in Simi Valley hosted by the RWC-Oceanside and **Chad Prather** is on stage presented by RWC-Escondido. See flyers for all events and ticket info later in this newsletter. There's another RWC-Fallbrook social event in August which will be announced later.

We will also need **volunteers** to set up our campaign headquarters in Fallbrook. We are still looking for a volunteer to Chair the Headquarters Committee. And, of course, we need volunteers to work shifts during this historical Presidential campaign. Read on for details.

Please make your membership in the Republican Women of CA-Fallbrook a priority this summer! We need your energy!

## It's Scholarship Season, Part 1

Alexa & Myah

The Republican Women of the Fallbrook Club have been recognizing excellence and awarding deserving students for the past 30 years!

Because June is our club's College Month, we added more faces to our speaker line-up.

Let's welcome back our 2019 Scholarship Winner, **Chiara C.**, who just graduated from Point Loma. Chiara will be telling us about her experiences at her San Diego university and what her plans are for the future. Please join us on June 14th to hear Chiara to congratulate our 2019 winner on her completion of college with a little help from the Fallbrook Republicans!

We are also so very pleased to announce that two seniors at Fallbrook High School have been selected to each win a \$1,000 college scholarship for the 2023-24 year from their Republican club!

Scholarship Committee members, **Lisa D.** and **Rene T.**, had a challenging time narrowing down the competition and selecting the cream of the crop, **Alexa V.** and **Myah P.!** Both students were recognized at the Fallbrook High School Awards Night on May 22nd. They will receive their checks and recognition at our June 14th meeting.

Both winners were academically strong with solid GPAs and consistent community service over their high school careers. They held solid leadership roles in academics, community service, charity organizations and sports. Alexa was ASB Senior Class President and Myah was ASB Senior Class VP. Myah volunteered and fundraised for autism awareness and coached field hockey for a local middle school. Alexa volunteered with her National Charity League, her church youth group, and her campus book club and was president of each of these groups.

## It's Scholarship Season, Part 2

Dear **Judy** (prior Scholarship Committee Chair) and the **2023 Scholarship Committee**,

I hope this message finds you well. I wanted to take a moment to provide you with an update on my first year of college and to express my immense gratitude for your support in helping me further my education.

Throughout my first semester at college, I managed to maintain a 3.2 GPA while also being an active member of the women's soccer team. I am proud to share that I was one of just four freshmen who played every game, with many of those in a starting position, out of a roster of 47 players.

In the second semester, I hit my stride and achieved a perfect 4.0 GPA while balancing two on-campus jobs - one as a front desk worker in our campus gym and the other as an Intramural referee. As a result, my overall cumulative GPA for my freshman year stood at 3.56, and I am committed to continuing to improve in the years ahead.

Additionally, I have remained steadfast in my faith and conservative values, despite the potential influences present on college campuses. I have found a supportive community through my teammates and have established a routine of attending a church in the nearby town of Quincy, Illinois on Sunday mornings and Thursday Nights for college aged students. As I prepare to exercise my right to vote for the first time, I am eager to represent and stand firm in our conservative values.

I am truly grateful for the scholarship you have provided, as it has enabled me to complete my first year of college without the burden of debt. I wanted to share my accomplishments with you to demonstrate how your support has positively impacted my academic and personal growth.

I understand that it may be uncommon to receive a thank you message years later, but I felt it was important to express my gratitude and share my achievements with you. If you have any knowledge of individuals or organizations offering scholarships for alumni of FHS, I would greatly appreciate any referrals or references.

Once again, thank you for your unwavering support.

Sincerely,

*Mikayla G.*

2023 RWC-Fallbrook Scholarship Winner

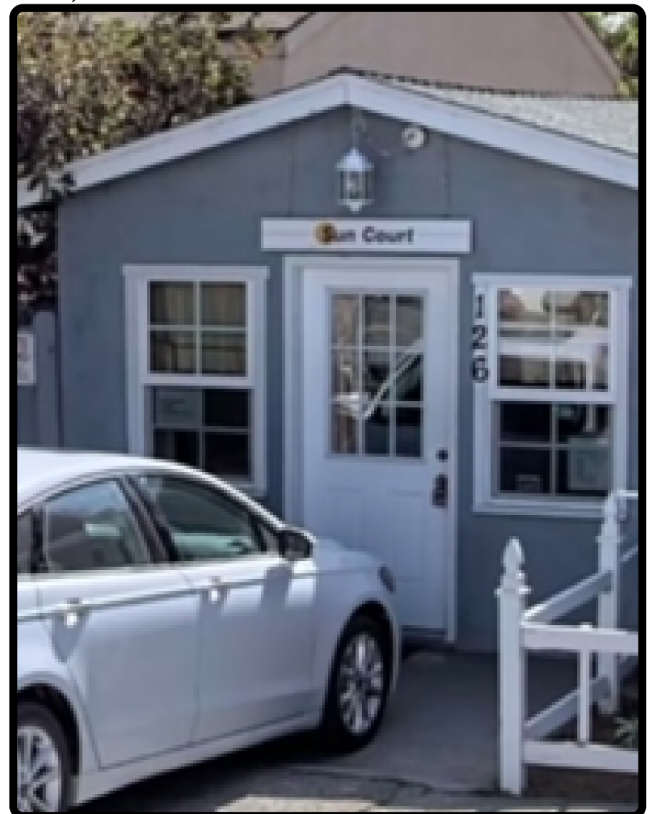

## Manpower is Needed - Ask Yourself “How Can I Help?”

If **VOTING** is important to you, then please raise your hand for:

- Contact **Cheryl H.** (call/text 949-322-5460) to **volunteer to register people** in the community to vote.
- Go to [cagop.org](https://cagop.org) to sign up for one or more of these trainings: **Ballot Gathering & Curing** and **Poll Observer** both of which offer multiple dates/times. And, **Gearing Up For The General: Growing CA's Election Integrity Operation** will be held for each County. San Diego's date is Tuesday, August 6, 2024 @ 6PM. Check website for further details & sign up. It's now or never!
- **Help set up** our forthcoming **Republican Campaign Headquarters** located in the Sun Coast Building at 126 Beech Street, Fallbrook. Many thanks to **Christine M.** for securing the spot! We need volunteers to help decorate in August. Decorations provided. Your artistic eyes are needed! Doors open September 1st. **Sign up** at our June 14 meeting.
- Volunteer to help **keep HQ doors open** between September & November 5th Election Day so we can help community members with their ballots. **Sign-up for shifts** at our June 14th meeting (bring your calendar for reference).

**Ballots will be received  
October 6th so we have  
less than 4 months to  
try our best!**

Let's  
Go!!

## Your mission, Members, should you choose to accept it...

If **OUR CLUB** is important to you, our Membership Chair, **Terry D.** has a challenge for you. Will you accept it?

- **Contact & invite** one or more of your conservative (or on the fence!) friends to attend a meeting with the Republican Women of California-Fallbrook. Invite them to a meeting. Share our newsletter, brochure, business card or website. If they are a registered Republican, ask them to join.
- Your friend(s) **may very well want to help** educate the community by staffing Campaign Headquarters, manning voter registration booths, and harvesting ballots (after taking the aforementioned class). **We need manpower** to ensure that our conservative message gets out.

**If everyone gets one person to join us, we will double our membership!**

2024 is a pivotal year for our freedoms and Christian values upon which this country was founded. Over the past four years we have seen these freedoms erode and Christianity being vilified in the media. Republicans must stand together against a government that does not have the peoples' best interests at heart. We need people who will **actively work in the community** to promote conservative values.

A membership application is included at the end of the newsletter. **I challenge you to use it!**

What are you doing this summer? How about meeting up with other like-minded Republicans for lunch? Our Ways and Means committee has been working hard to organize this luncheon; please come and get to know each other better. We will sit out on the patio and order from El Mariscos Pacifico's Favorite Menu. A soft drink is included in the price; any and all left over from the \$29 will go back into our club. I hope to see you all there!

**111 N Vine St, Fallbrook**

**Chad Prather** is an American conservative political commentator, comedian and Internet personality known for a series of YouTube videos in which he comments on life, right-leaning politics and current events. His video "Unapologetically Southern" went viral in 2015. He formerly hosted The Chad Prather Show for 5 years on Blaze TV. Prather ran unsuccessfully for Governor of Texas against incumbent Greg Abbott in the 2022 Gubernatorial primary.

## Things to Know

If you have a suggestion for future RWCF meeting **speakers**, please email your ideas to [info@rwcfallbrook.org](mailto:info@rwcfallbrook.org).

**Help the Sheriff help you.** You may have a property that requires the **Trespass Arrest Authorization** form to be notarized & submitted to allow the SD Sheriff to actually arrest trespassers upon your request. As of Jan. 1, 2024 when SB 602 went into effect, an arrest is not automatic without this form. Click the link for the San Diego County form and instructions. Consider doing this now instead of waiting until you need help.

The **Protect Kids initiative failed**. It lacked roughly 100,000 signatures, even though we passed the petitions around at our January meeting and mailed them along with so many others.

### **RWC-Fallbrook returns to Facebook!**

We are just getting started with our Page and have joined the almost 33,000 local members of Friends of Fallbrook where we have already posted a Memorial Day tribute, scholarship winners announcement, and our June 14 meeting flyer. We will continue to share community-related info on the FoF page to get the word out about our Club and intent to post Club-specific info on our own Page for followers. Give us a **like & share & follow**, please, to **help us grow our following**. The donkey club in town only has 62 followers; we can certainly beat that! Click the link below now.

# Republican Women of California-Fallbrook

## Mission Statement

Our goal is to educate the community by communicating information, encouraging involvement, and outreach.

Our objectives, as stated in our Bylaws are to:

- Support and defend the Constitution of the United States of America against all enemies foreign and domestic.
- Promote a wider knowledge of principles and policies of the Republican Party.
- Cooperate with the Republican State and County Central Committees in campaign work for the election of Republican candidates for office, including non-partisan offices.

The cornerstone of the Republican philosophy is the belief that each person is responsible for his or her own place in our society. Individuals are encouraged to join the Party to help secure and preserve the benefits of society.

We believe that government should be limited to doing for people those things they cannot do for themselves. The right to determine individual destiny should lie in the hands of the individual, and we believe in the competitive free enterprise system. We believe that peace and freedom can be protected only if America maintains a defense strong enough to deter an aggressor. We strive to cut overlapping and unnecessary government programs.
